

21st Century Community Learning Centers Program

21st CCLC Reviewer Scoring Report – Cohort 10

Applicant Name:	New Albany Floyd Co. Cons. Schools
Proposal Ranking:	7
Average Score	118.8/ 125

Proposal Strengths:

- Overall great program and partnership for the children and families in the schools. Application was detailed and organized in a way that you could imagine the program components. Thought the schedule for the program was really great, should be considered for a summer program if the need is there!
- Well done! It is clear that all aspects of the application were clearly throughout and no detail was overlooked. Focusing on SEL will be valuable to K-4 students. I am hopeful that students and families will achieve the outcomes of the program.
- Incredibly organized and well laid out plan for implementing a strong program.

Proposal Weaknesses:

- Would have been easier to understand the budget pieces if they were not all in the text but in the excel lines with the numbers.
